

Prayer Requests for North Nashville

Thank you for praying for Project Connect Nashville. Your prayers are so important to us.

Please pray for the staff as we continue to build relationships with the residents in North Nashville.

Pray for key relationships to form (churches and missional groups) to assist with the rebuilding efforts.

Pray for Ella Clay, pastor of Historic First Community Church, and the new Program Manager for PCN North Nashville. Pray as she works to implement key areas of our programming.

Pray for Q. Quanita has been working tirelessly since the tornado touched down last year. Pray for her to be energized in the work and encouraged.

Pray for the families that have experienced loss and devastation. John, construction manager for PCN, has been working on some of the homes since December. There are a number of homes that still need to be repaired. **Pray for opportunities for us to be able to connect with the families.**

Pray for us to trust that God will provide everything we need.

Pray for the staff to be encouraged in the work that they are doing.

Pray for volunteers to sign up this month for our #StrongerTogether campaign.

Pray for us to reach our goal of \$60,000.

Pray that individuals and churches won't forget about the devastation in North Nashville – poverty, tornado and covid-19. We need more church and individual partners that will be with us for the long haul.

Pray for wisdom for the leadership of PCN.

Pray for God to be glorified.

Pray for all who are displaced and out of work.

We will be hiring a Volunteer Coordinator. **Pray that we are able to hire the right person for the job.**
